LICENSE AGREEMENT

THIS LICENSE AGREEMENT ("Agreement"), effective as of the _____ day of _____, 2026, between the nonprofit corporation, Courageous Parents Network, located at 21 Rochester Road, Newton, MA ("Licensor"), and _____, a _____ located at _____ ("Licensee").

WHEREAS, Licensor owns absolute copyright of the materials which are listed in Exhibit A ("Materials"); and

WHEREAS, Licensee is desirous of displaying such Materials on its website by means of Licensor's Bundle & Share embed feature, as described in Exhibit B (the "Project");

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises hereinafter set forth, the parties agree as follows:

1. Grant of License. Licensor represents that it owns or otherwise has sufficient rights to grant the licenses set forth in this Agreement. Licensor hereby grants to Licensee a non-exclusive, nontransferable, non-sublicensable license to display the Materials on the approved domain or domains identified in Exhibit B, solely by means of the embed code issued to Licensee by Licensor, and solely for the purpose of helping users discover content relevant to their needs. It is understood that Licensee may desire to publish or make public presentations about the Project. If the Project is extended or rolled into another project, the terms of agreement must be negotiated anew.

2. Approved Domains and Embed Code. The embed code issued to Licensee is authorized for use only on the domain or domains identified in Exhibit B. Licensee shall not use the embed code on any other domain, transfer it to any other organization, or take any step to circumvent the domain restriction. Licensee shall notify Licensor in advance of any change to its approved domains so that Licensor may reissue access. Licensor may revoke or reissue an embed code at any time.

3. Grant of Trademark License. Licensor further grants to Licensee a non-exclusive, nontransferable license to use Licensor's name and trademarks only in connection with the licensed Materials and only in the form and manner and with appropriate legends as prescribed from time to time by Licensor. Licensee agrees not to use any other trademark or service mark, alone or in combination with Licensor's marks, on the licensed Materials without Licensor's prior written approval. Any such publications or public disclosures that include the Materials must include proper acknowledgment and credit to the Licensor for use of the Materials.

4. Negation of Rights Not Licensed. Licensee shall not modify or amend any Materials, or create derivative works therefrom, except as expressly permitted under this Agreement. Licensee shall not download, copy, cache, re-host, or otherwise reproduce the Materials outside the embed, nor extract the Materials by automated means. Licensee shall not remove, obscure, or alter any attribution displayed with the Materials. Licensee shall not place the Materials behind a paywall or charge any fee for access to them. Any rights not expressly granted by this Agreement shall not be implied; the license granted pursuant to this Agreement authorizes only the use of the Materials as specified herein.

5. Context of Display. Licensee shall not display the Materials in immediate association with advertising or product promotion, nor in any manner that implies Licensor's endorsement of Licensee, its services, or any product.

6. Duration of License. This Agreement shall commence on the Effective Date and shall continue for the term of the Project, indefinite, or terminated by Licensor due to Licensee's breach of any provision hereof. Licensor may additionally suspend or revoke Licensee's embed access at any time. Upon termination of this Agreement, Licensee shall have thirty (30) days to discontinue use of the Materials, remove the embed from its website, and destroy or otherwise cease display of all printed Materials bearing any of the Materials. All rights in the Materials shall remain the property of Licensor.

7. Beta Status. Licensee acknowledges that the Bundle & Share embed feature is offered in beta. Licensor does not guarantee availability, uptime, or continued operation of the feature, and may modify or discontinue it. Licensor will make reasonable efforts to provide notice of material changes.

8. Licensing Fee. In this initial phase of the Project, there is no licensing fee. Any changes to the Project will require a new licensing agreement.

9. Attribution. Where the Materials are displayed within the Project, Licensee shall provide attribution substantially as follows: "This content is made available by and is copyright of Courageous Parents Network," with inclusion of the URL CourageousParentsNetwork.Org. Attribution delivered automatically within the embed satisfies this section.

10. Usage Data. Licensor may collect aggregate data regarding which Materials are embedded and how users engage with them. Such data is used to inform Licensor's content development and does not identify individual users.

11. No Partnership. This Agreement shall not be construed as establishing a partnership, agency or joint venture between the parties; nor shall it be construed as endorsement of the Project. Neither party shall have any right to obligate or bind the other party in any manner whatsoever, and nothing contained in the Agreement shall give, or is intended to give, any rights of any kind to any third parties.

12. Limitation of Liability; Indemnification. The Materials are educational in nature and do not constitute medical advice. Licensor does not warrant the suitability of information in the Materials and shall have no liability for use of the licensed Materials by Licensee or any third party. Licensor does not make any representation or warranty of any kind with respect to the Materials and expressly disclaims any warranties that the use of Materials will not infringe any patent, copyright, trademark, or other proprietary rights. Licensor does not undertake any obligation to update or otherwise modify the Materials. Except in the case of fraud or intentional misconduct, neither Licensor nor any of their employees shall be held liable for direct or consequential damage resulting from the use of the Materials. Materials ARE LICENSED AS-IS, AND, except as expressly set forth herein, LICENSOR DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY REPRESENTATIONS OR WARRANTIES AS TO MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, RESPECTING ANY OF MATERIALS OR ANY OTHER MATTER RELATED TO THIS AGREEMENT.

13. Assignment. The rights granted to Licensee hereunder shall not be assigned, sublicensed or otherwise transferred by Licensee without the prior written consent of Licensor. This Agreement shall be binding upon the parties and their permitted successors and assigns.

14. Entire Agreement; Modifications. This writing sets forth the entire agreement with respect to the subject matter hereof and supersedes any prior agreements or understandings relating to the subject matter hereof. Any waiver, modification, or cancellation of any terms or conditions of this Agreement must be in writing, and no waiver by Licensor, whether express or implied, of any breach or default by Licensee shall constitute a continuing waiver of any term or provision of this Agreement.

15. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.

16. Severability. In the event that any term or provision of this Agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other term or provision hereof, and such invalid, illegal or unenforceable term or provision shall be reformed so as to most nearly effect the intent of the parties without invalidity or illegality.

17. Executed in Multiple Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original copy of the Agreement, and all of which, when taken together, shall be deemed to constitute one and the same Agreement. Signatures to this Agreement transmitted by fax, by electronic mail in "portable document format" (".pdf"), or by any other electronic means intended to preserve the original graphic and pictorial appearance of the Agreement, shall have the same effect as physical delivery of the paper document bearing the original signature.

IN WITNESS WHEREOF, the parties have caused the Agreement to be executed as of the day and year written below.
